Overview

Tooting is a crazy market! You feel a bit arrogant in comparison to other Winkworth branches sometimes, because the area's still really good value, and the flat market here is unbelievably resilient. Half a million gets you a really nice flat here, whereas even in Balham it doesn't get you very far.

Tooting is known for its lido, which is the largest of its kind in the UK, and for the wide green expanses of the Tooting Commons.
